Support Sample Processing Customization
Style and Specifications
Contact Salesman
Due to the large number of product specifications and styles,in order to avoid conflicts,please contact the salesman before placing the order.
1
Provide Samples
The manufacturer supports the sample processing and customization, and the buyer provides the sample first to communicate the production requirements.
2
Mail Samples
According to the buyer's demand for proofing,the manufacturer needs the buyer to pay the proofing fee first, and the sample fee will be returned after the order is concluded.
3
Generate Order
The buyer receives the sample. If satisfied, place an order for batch production. After confirming the receipt,contact the salesman to return the proofing cost.
