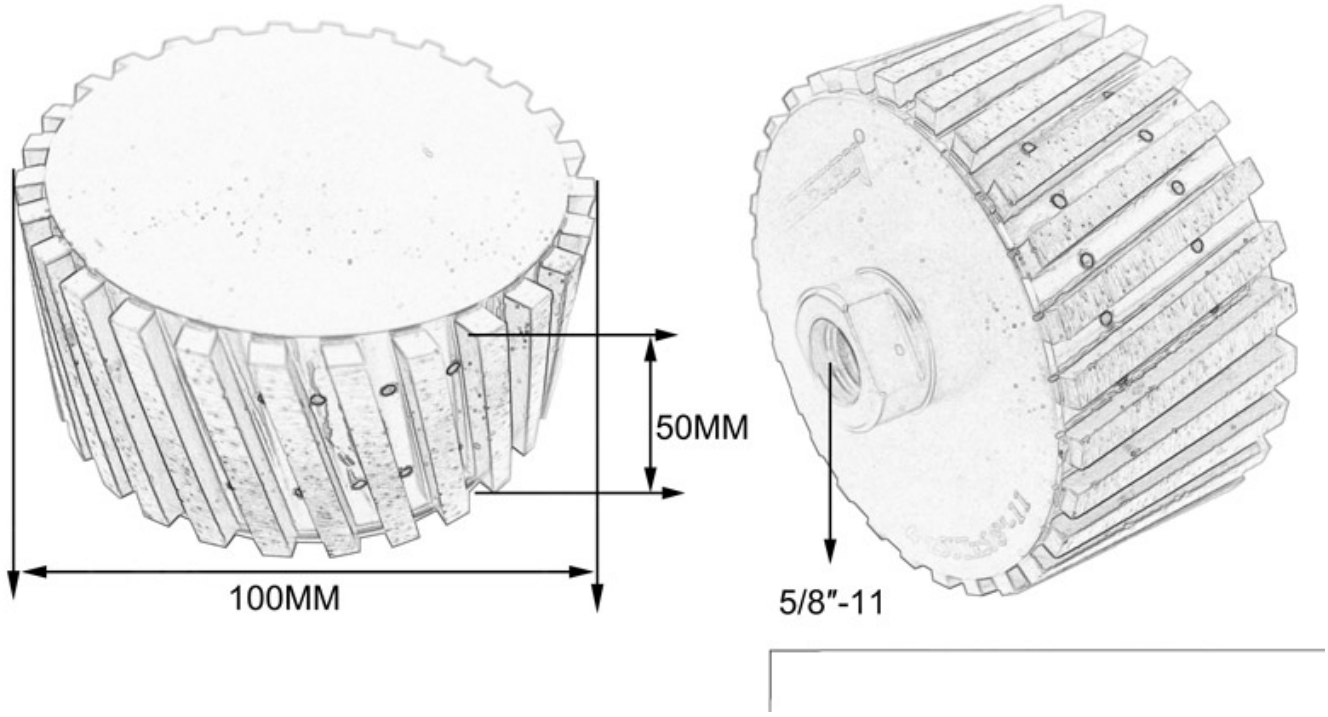
Product Description:

Zero Tolerance Sink Wheel For Grinding Granite used for very aggressive grinding applications and removal of stock on variety materials including granite, concrete, lilmestone, marble, block, terazzo and more.

1.**Zero Tolerance Sink Wheel For Grinding Granite** for Grinding Basin are mainly used for hole grinding, anchor and blind hole.which is the most effective way to grind and polish the tight radius.

2.Zero Tolerance Grinding Wheel for
Manufacturer are for grinding and polishing sink holes on the slab, kitchens etc., which is the most effective way to grind and polish the tight radius.

3.Great for both aggressive stock removal (non-resin filled) or fine edge truing (resin-filled) with sink cut-outs in vanities and counter tops. Zero Tolerance Grinding Wheel Manufacturer



Specification:

The followings are **Zero Tolerance Sink Wheel For Grinding Granite** the normal specifications:

Diameter	Segment Length	Connector / Bore
100mm	50mm	5/8"-11

Other Sprcification:

Diameter	Segment Length	Bore

25mm(1") 50mm(2") 75mm(3") 100mm(4")	35mm 40mm 45mm	M14 M16 5/8”-11 1/2”G

Note: Other sizes can be customized

Application:

Use Type: Wet or Dry Use

Machine: Semi-CNC Machines,Angle Grinders

Zero Tolerance Sink Wheel For Grinding

Granite are used for very aggressive grinding applications and removal of stock on variety materials including granite,concrete, limestone, marble, block, terrazzo and more.

Using diamond drum wheel is the fastest way to remove material after cutting out sink holes with a diamond blade, or to shape a radius on the outside edge.

About us:

Packing Delivery:

1.Tools packing in carton cases

2.By Air/Sea for batch goods, Airport/Port receiving

3.Less than 45kg, generally delivery by express(Door to Door

4.When tools are in large quantities, they are packing in wooden cases

- For sample or small orders, products could be sent by express, TNT, DHL, UPS, FedEx, EMS etc.
- For large orders, shipping by sea or air is recommended. By our long-term cooperate agent or your appointed forward.
- By sea, port of loading: Shanghai, Ningbo, Xiamen, Qingdao etc.

Our Service:

1. Low order quantity: It can meet the test order you need.

2. Fast delivery: We get great discounts from freight forwarders.

3. OEM Acceptable: We can produce according to your samples or drawings.

4. Good quality: We have a strict quality control system. Has a good reputation in the market.

5. Good service: We regard our customers as God with a high degree of professionalism and enthusiasm.

FAQ:

1.How could we know the quality, if we want to order your products?
Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?
We don’t offer free samples, according to our many years experience, we think

people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing. It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?
Surely, we accept it. Including differentcolor, grit etc. We a lso can mark your ownlogo and brand on the pad. Any new productsyou want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.

Logistics:
Sample order ship by DHL, UPS, FedEx, TNT, EMS etc
For mass order delivery, can be optional with terms of Exwork, FOB, CNF, CIF by air or by sea based on the buyer’s forwarder or ours
