

Product Description

China Diamond Grinding Cup Wheels Factory are mainly used for grinding surface and edge of granite marble concrete and other materials. With the advantages of convenient use and high grinding efficiency, it is the most effective tool for face grinding, trimming of stone and concrete.

It is usually used on handheld electric or pneumatic grinding machines, it can also be used on large grinding machines, like continuous grinding machines.

Features:

1 These cup grinding wheels are made by hot pressed and sintered, longer lifespan and grinding effect stronger.

2 We carried out the balancing test before leaving the factory, to make sure that jitter does not occur during use.

3 The design with good sharpness is provided with easy dust removal, low noise and low pollution.

4 Small volume, more convenient to use in handheld machine.

All of our products have been strictly tested before access to market.

Other specifications can be customized according to requirements.

Specification:

FAQ

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing.

It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.
