general question

1. How can we be your agent in our country?

Please inform us your detailed company, we will discuss and propose useful suggestions for you, and find the best solution for you.

2. Do you provide free samples?

Generally we do not offer free samples, but we guarantee our product quality.

3. Is there cheap shipping costs to import into our country?

For small orders, express will be the best, and for bulk order, the path of the sea ship is best but take more time. For immediate orders, we suggest sending to the airport or by express to our door.
