

Product Description

The **M shape sandwich diamond cutting segment** design reduces the friction, speeds up the cutting speed of stone, prolongs the service life of the cutter head and improves the performance of the cutter head. Make the saw blade more flat and smooth to cut the large stone plate with flat surface and improve the yield.

The length of conventional cutter head is 24mm and 40mm, and other sizes and shapes can be customized according to requirements. We have M type, K type, flat type, fan type, W type, V type, slot, U type, etc.

The quality of our cutter head can be compared with Wanlong cutter head. The style is the same as Wanlong cutter head, and the cutting performance is the same as Wanlong saw blade cutter head. If the batch is large, the discount is also great.

Feature:

- 1.Large batches of cutter heads, high discounts.
- 2.Diamond saw blade with diamond segment,Stable cutting,narrow cutting gap,stone waste reduction.
- 3.Diamond granite segment for block cutting,smooth cutting,flat surface and even size,good cutting effect.

Product Specification:

The Following Are Normal Specifications **M Shape Sandwich Diamond Cutting Segment**:

Blade Diameter	Blade Thickness	Segment Size (LxWxH)	Blade Hole	Max.RPM
1600mm (64 Inch)	6.5-7.2mm	24X9.2/8.4x13/15mm	80/110mm	550 RPM

The above specifications is only for reference, other specifications may be available as per customer's demand.

Other Specifications Of Cutter Segment:

Diameter		Thickness	Teeth	Segment Size			Hole	Max. RPM	Cutting Stone

M Shape Sandwich Diamond Cutting Segment For Cutting Granite

M Shape Segment

V Shape Design

- 1. Quickly Remove Waste
- 2. Help Reduce Temperature

Sandwich Design

- 1. Long Life
- 2. Smooth Cutting
- 3. Increase Sharpness

Wet For Cutting Granite
For 1600mm Diamond
Single Saw Blade

Application:

Wet cutting for granite block.

Diamond granite segment for single blade and mutil blade.

Stone block cutting diamond segments for granite and hard stone.

Granite block diamond segment for single arm machine, bridge cutting machine.

Granite

Tower Saw Blade

Multi Saw Blade

Single Saw Blade

FAQ

1. Do you offer free samples?

Normally we do not offer free samples, but we guaranty our product's quality.

2. How can we be your agent in our country?

Please inform us your detailed company, we will discuss and propose helpful suggestion for you, and to find the best solution for you.

3. If we need technical support, can you offer us?

Yes, we have an experienced team, offering our customers additional benefits with specific advice, by our product management staff, engineers and technicians.
