

Product Description

[China CNC Calibrating Wheel Supplier](#) are designed for thickening and calibrating surface of granite, marble, and other stone, also including the counter.

The segment on the calibrating wheel can remove the stone uneven part rapidly. It can grind the shape and thickness what you want quickly.

Mainly used in profiling machine, edge cutting machine, bridge cutting machine. The CNC calibrating wheel including two types, normal calibrating wheel and silent calibrating wheel.

Feature:

1. High efficiency and long lifespan.
2. Lower noise and environment friendly.
3. Making the stone surface thickening and calibrating.

Product Specification:

There are the normal specification of our **Wet Use Sintering CNC Calibrating Wheel**:

Diameter	Width	Segment size			Segment Number	Inner Hole		
		Length	Width	Height				
300MM	30MM	34.6MM	9MM	6.5MM	36	50MM 60MM		
350MM					40			
400MM	40MM	46.2MM			45			
500MM	50MM	57.7MM			60			
600MM					72			

The above specification just a reference for customer.

[Diamond Calibrate Wheel For Manufacturers](#) other specification can be ordered by clients.

FAQ

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing.

It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.

Logistics:

Sample order ship by DHL, UPS, FedEx, TNT, EMS etc

For mass order delivery, can be optional with terms of Exwork, FOB, CNF, CIF by air or by sea based on the buyer's forwarder or ours
