

Polishing and Grinding Pads:

Overview:

Boreway provides a wide range of diamond grinding and polishing pads for various applications. Our pads are designed for high performance and long life, ensuring a smooth and polished finish. Boreway pads are available in various diameters and grits, suitable for different materials and surfaces. For more information, please contact our sales team.

Our diamond grinding and polishing pads are made from high-quality diamond particles, providing excellent cutting and polishing performance. They are suitable for a wide range of materials, including granite, marble, quartz, and ceramic. The pads are designed to be used on various surfaces, such as countertops, floors, and walls. We offer a variety of grits, from coarse to fine, to meet different polishing requirements. Our pads are also available in different diameters, ranging from 3 inches to 7 inches. We have received many positive feedbacks from our customers, who praise the quality and performance of our pads. We are committed to providing the best products and services to our customers. For more information, please contact our sales team.

Product Details:

Product Name: Diamond Grinding and Polishing Pads

Product Model: BW-DGPP

Name	Diamond Grinding And Polishing Pads
Model	BW-DGPP
Diameter	3" 4" 5" 6" 7"
Grit	50# 100# 200# 400# 800# 1500# 3000#
Quality Class	Premium Standard Economical
Holder	Velcro and Rubber
Process	Resin bond and Electroplate
Applicable Materials	Granite, marble, quartz, ceramic and other stones

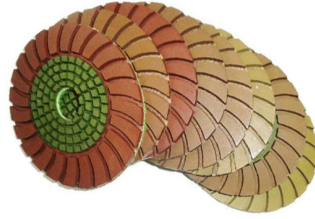

For more information, please contact our sales team.
