Mail Samples

According to the buyer's demand for proofing, the manufacturer needs the buyer to pay the proofing fee first, and the sample fee will be returned after the order is concluded.

3

Generate Order

The buyer receives the sample. If satisfied, place an order for batch production. After confirming the receipt, contact the salesman to return the proofing cost.

4

Order process steps:

1. The buyer provides the sample requirements to the manufacturer, and the manufacturer provides the sample to the buyer. After the buyer receives the sample, if satisfied, the buyer places an order for batch production. After confirming the receipt, the buyer contacts the salesman to return the proofing cost.
2. The manufacturer provides the sample to the buyer, and the buyer pays the sample fee.
3. The manufacturer provides the sample to the buyer, and the buyer pays the sample fee. After the buyer receives the sample, if satisfied, the buyer places an order for batch production. After confirming the receipt, the buyer contacts the salesman to return the proofing cost.
4. The manufacturer provides the sample to the buyer, and the buyer pays the sample fee.
