Less than 45kg, generally delivery by express (Door to Door).

By Air / Sea for batch goods, Airport / Port receiving.

BY AIR

BY SEA

**By Air / Sea:**

1. **By Air:** For goods that are high value, fragile, or have a short shelf life, air transport is the most reliable and fastest method.
2. **By Sea:** For large quantities of goods, sea transport is the most cost-effective method.
3. **OEM:** For goods that are produced in large quantities, sea transport is the most cost-effective method.
4. **Storage:** For goods that are not immediately needed, storage is a good option. We provide various storage solutions to meet your needs.
5. **Door to Door:** We provide a comprehensive service from the factory to your door, ensuring that your goods are delivered safely and on time.
