The image features the Boreway logo at the top left, consisting of the word "boreway" in a white, italicized, sans-serif font with a registered trademark symbol (®) to its upper right, set against a blue background. Below the logo, two mechanical components are shown against a light gray background. The component on the left is a cylindrical gear-like part with a dark gray top surface and a series of vertical, parallel ridges or teeth. The component on the right is a similar cylindrical part, but with a central threaded hole and a circular top surface. Both components have a metallic, possibly cast iron, appearance. The background of the central image area is watermarked with the text "www.boreway.com" in a light gray, diagonal font. At the bottom of the image, a blue banner contains the text "Boreway Machinery Co., Ltd." and "www.boreway.com" in white, sans-serif font.
