

Section 1:

The first part of the document discusses the importance of maintaining accurate records and the role of the auditor in ensuring the integrity of the financial statements.

It is essential for the auditor to maintain independence and objectivity throughout the audit process.

The auditor should also ensure that the audit is conducted in accordance with the relevant auditing standards.

Section 2:

1. The auditor should ensure that the audit is conducted in accordance with the relevant auditing standards.

2. The auditor should also ensure that the audit is conducted in accordance with the relevant auditing standards.

3. The auditor should also ensure that the audit is conducted in accordance with the relevant auditing standards.
