Description:

170 MM Grinding Metal Bond Diamond Fickerts Block are mainly used for automatic polishing&grinding machine, especially used for rough abrasive on granite slabs instead of normal abrasive tools. High polishing efficiency, low power consumption and long life.

Diamond metal bra is suitable for continuous polishing line instead of ordinary grinding block for rough grinding and middle grinding of granite, quartz stone and other stones.

170 MM Grinding Metal Bond Diamond Fickerts Block Specification:

Model	Girt
BW-DF-M140	36#/46#/60#/80#/100#/120#/140#/180#/240#/320#
BW-DF-M170	36#/46#/60#/80#/100#/120#/140#/180#/240#/320#

Diamond Fickert / Abrasives for Granite Polishing Tools dhjuagsesiagned for high performance machines of granite and machines with a head.

Electricity Saving Low Cost Grinding Disc suitable for grinding and polishing the surface of various of stones slab in automatic machines.

170 MM Grinding Metal Bond Diamond Fickerts Block With the feature of good polishing efficiency and very long using life in grinding stone slabs.

1. Electricity saving: its sharpness can reduce the stress of grinding head, thereby reduce machine's abrasion.

2. High efficiency: its super high sharpness can improve transmission speed of convey belt and improve the production efficiency.

3. High glossiness: it can bring 10 degree more in stone high glossiness. Also its homogenization reduce the possibility for stone surface stroke and glossiness instability.

About Us:

Packing □ Delivery:

PS:

- 1.Tools packing in carton cases
- 2.By Air/Sea for batch goods, Airport/Port receiving
- 3.Less than 45kg, generally delivery by express(Door to Door)
- 4.When tools are in large quantities, they are packing in wooden cases

Our Service:

- 1.Low MOQ: It can meet your trial order need well.
- 2.OEM Accepted: We can produce according to your sample or drawings.
- 3.Good Service: We treat our clients as God with high professionalism and passion.
- 4.Good Quality: We have strict quality control system. Good reputation in the market.
- 5.Fast Delivery: We have big discount from forwarder.

FAQ:

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing. It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or

sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.
