			5	30	
	12	300	10	45	
			6	30	

Features:

Litchi Surface Efficient Bush Hammer Tools

- * Floor grinding head adaptor.
- * Durable metal and diamond compound.
- * Long lifespan and stable performance.
- * Good balance assures excellent grinding effect.
- * For connecting with the Diamonds or bush hammer.
- * Effective for grinding natural stones and concrete to get bush hammer effect.

Product Details:

Litchi Surface Efficient Bush Hammer Tools are used in manual grinding machines or hammered automobile / semi-automobile bush machines to process the hammered surface of the litchi bush into concrete granite, marble and other stone surface.

45 Pins Segment

Support

Easy to use, high efficiency, 5-8 times that of manual

Advantage:

1. Coarse flowers and fine flowers can be adjusted at will.
2. Can be customized according to customer needs.
3. Factory direct sales, affordable and low comprehensive cost.
4. Using precision welding technology and high-quality alloy casting, efficient and durable.
5. Committed to the research of higher technology products in order to reduce the customer's comprehensive cost and obtain greater benefits.

Application:

Litchi Surface Efficient Bush Hammer Tools to process bush hammered litchi surface on concrete granite,marble and other stone surface.

Coarse flowers and fine flowers can be adjusted at will.

boneway®

Applicable materials

Granite

Quartz stone

Marble

Sandstone

Concrete

Volcanic rocks

Applications Machine:

Litchi Surface Efficient Bush Hammer Tools can be adjusted with our bush hammer through adjustment of spring elasticity on the bush hammer, or through the pressure of the manual grinding machine. can be changed through the adjustment of spring elasticity on bush hammer, manual grinding machine press

About Us:

Packing □ Delivery:

PS:

- 1.Tools packing in carton cases
- 2.By Air/Sea for batch goods, Airport/Port receiving
- 3.Less than 45kg, generally delivery by express(Door to Door)□

4. When tools are in large quantities, they are packed in wooden cases

Our Service:

1. Low MOQ: It can meet your trial order need well.
2. OEM Accepted: We can produce according to your sample or drawings.
3. Good Service: We treat our clients as God with high professionalism and passion.
4. Good Quality: We have strict quality control system. Good reputation in the market.
5. Fast Delivery: We have big discount from forwarder.

FAQ:

1. How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present, so many people in the world use Chinese products, because of the high quality and most competitive prices. We are a professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2. Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing.

It is very important to give us feedback, we appreciate it.

3. Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.

Kindly Notice:

1. Please provide the material before purchase.
2. Before purchase, please provide the model of the machine.
3. Other specifications can be customized according to requirements.
