

Product Description

Diamond Screw Core Bit this is mainly used for the center diamond drill screw holes, vias, blind holes trimming, and milling slots on stone slabs such as kitchen panel, washbasin, etc.

This finger bit tip is fabricated with a 1/2" Gas thread connection. suitable for portable drilling rig and CNC machine tools. flexible front screw drill replacement, as required to select and adjust the drill pipe substrate, in order to achieve a change in terms of length.

In addition, the screw bit worn away only need to replace the drill part, the drill pipe can continue to use the base. there are water holes in the side, it can be easy to drainage and cooling.

Feature:

1. High efficiency, durability, and security
2. Easy bit changing, aggressive diamond bond for fast

Product Specification:

The Followings Are Normal Specifications Of [Our Diamond Screw Core Bit Manufacturer](#):

Product Name	Type	Diameter	Segment Length	Thread	Connection Shaft
Diamond Screw Core Bits	Hollow	20MM	20MM	M12	1/2"G*68L
	Solid		30MM		1/2"G*100L

The above specifications are for reference, other specifications can be ordered by customers.

FAQ

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing.

It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.

Logistics:

Sample order ship by DHL, UPS, FedEx, TNT, EMS etc

For mass order delivery, can be optional with terms of Exwork, FOB, CNF, CIF by air or by sea based on the buyer's forwarder or ours
