12 Inch 300mm	40×3.6×10	2.2/2.0	21 Pcs

The above specifications is only for reference, other specifications may be available as per customer's demand.

Product show

Flat Shape Diamond Fast Cutting Saw Blade Segment For Marble

Application:

wet cutting for marble stone and so on.

With the use of wet cutting, you can process the cooling temperature. If the temperature is too high, marble cutting diamond segment will easily affect the service life of the cutter head and the cutting quality.

The noise impact of the factory price diamond gang saw segment installed on the gang saw is reduced, the vibration is also reduced, and the flatness of the stone is improved.

FAQ

1. How to guarantee the quality of the product?
