

Product Description

40x5.0x15mm Diamond segment cutting tip is widely used for cutting andesite rock material, with the advantages of good sharpness, excellent performance, high work efficiency, and long service life.

It makes the stone cut neatly and has a beautiful appearance. Compared with similar products in the international market, it has the same technical level and higher performance ratio.

Not only andesite, our [Diamond Segment Cutting Supplier China](#) can cut granite, marble, sandstone and other kinds of stone, and can cut large slabs and blocks.

Feature:

1. [Diamond Segment For Cutting Andesite](#).
2. Used in bridge cutting machine, desktop cutting machine.
3. Diamond segment cutting tip, high comprehensive cost-effective.
4. The best wet use, fast and small cutting crack, stone surface is smooth and even in sizes.
5. Compared with wan long blade, segment has the same quality, style and cutting performance as wan long blade segment.

Product Specification:

The Following Are Normal Specifications **Diamond Segment Cutting Tip:**

Blade Diameter	Segment Size (LxWxH)	Segment Shape	Use	Machine
600mm (24 Inch)	40X4.2x15mm	Fan Shape	Wet Use	For Bridge Cutting Machine, Desktop Cutting Machine

Customized segment size and numbers will be suggesting can supply different specifications and diameters as per customer's requirement

Blade Diameter	Segment Size (LxWxH)	Application
400mm	40x3.5x15mm	Andesite
400mm	40x3.6x15mm	Andesite
500mm	40x4.2x15mm	Andesite
500mm	40x4.5x15mm	Andesite
600mm	40x5.0x15mm	Andesite

800mm	40X6.0x15mm	Andesite
900mm	40x7.0x15mm	Andesite
1000mm	40x7.0x15mm	Andesite
1600mm	24x9.0x15mm	Andesite

Wet Cutting Diamond Andesite Segment Cutting Tip For Desktop Cutting Machine

For 600mm Diamond Saw Blade

Fan Shape

Application:

For bridge cutting machine, desktop cutting machine.

Diamond segment cutting tip high frequency welding on 600mm saw blade

FAQ

1.Can we use our brand?

Yes, we provide OEM service, just send your packaging design and Logo to us.

2.When you can reply to me when I send you an Inquiry?

We promise to reply within 24 hours(not including holidays) on receipt of your inquiry.

3. Do you offer free samples?

Normally we do not offer free samples, but we guaranty our product's quality.

4. If we need technical support, can you offer us?

Yes, we have an experienced team, offering our customers additional benefits with specific advice, by our product management staff, engineers and technicians.
