## 60mm 3D Printer Calibration Wheel

3D Printer Calibration Wheel 60mm is a precision-ground wheel designed for 3D printers. It features a unique diamond-like pattern on its surface, which provides excellent grip and reduces friction. The wheel is made from high-quality materials and is designed to last for many print jobs. It is perfect for use with a variety of printer models and is a great addition to any 3D printing setup.
