

Product Description

Diamond Grinding Plates are used on grinding machines or floor grinding machines to remove the thick epoxy, glue, paint and other uneven coating of concrete, terrazzo and stone floor, showing a flat floor.

This grinding Disc (plate) are designed to give rough concrete surfaces the smoothest finish in the quickest time. This grinding discs are engineered with Blastrac Technology to improve machine vibration during application. It ideal for smoothing rough areas, surface irregularities, floor grinding, surface preparation, polishing, refinishing, as well as removing epoxies, resins, urethane and other concrete coatings.

Available in either 10 or 20 segment configurations.

Hard bond is for grinding green concrete and asphalt. Soft bond is for grinding old or cured concrete.

May be used on Blastrac Diamond's disc grinders (Floor grinding machines).

Dry or Wet Use!

Feature:

1. High aggressive and efficient for various concrete floors.
2. Good grinding efficiency and long lifespan.
3. Perfect balance and stable performance.

FAQ

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are

willing to give our potential customers a special discount which they are used to do a testing. It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including differentcolor, grit etc. We also can mark your ownlogo and brand on the pad. Any new productsyou want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.

Logistics:

Sample order ship by DHL, UPS, FedEx, TNT, EMS etc

For mass order delivery, can be optional with terms of Exwork, FOB, CNF, CIF by air or by sea based on the buyer's forwarder or ours
