270mm Litchi Surface Bush Hammer Disc Grinding Plate for Husqvarna Floor Grinder

270mm Husqvarna bush hammer Plate is widely used on granite, marble sandstone to make rough litchi surface.

270mm Husqvarna bush hammer Plate, Find details about China Bush Hammer Plate, Husqvarna Diamond Bush Hammer from Boreway supplier.

Feature:

- **270MM Husqvarna Bush Hammer Plate** for floor preparation before laying new coatings.
- To remove old glue and resin coatings, in particular thick resins.
- To expose the aggregate in concrete floors to prepare for concrete polishing.
- For stone surface fabricating, making bush hammered effect for stone products.
- Use as a scarifying machine with the advantage that it is aggressive but gentle enough not to “dig” uncontrollably into the floor surface.

- Creates slip-resistant finish on granite and marble, breaks down coatings standard diamonds can't touch, prepares surface for application of thin-set overlay.
- The repeated hit of these carbide tips into stone or concrete surface creates a rough, pockmarked texture that looks like naturally weathered rock.
