

## Product Description

Diameter: 4 inch,100MM

Grit No.:1#,2#,3#,4#,5#

Type: Granite Polishing Pad

1. **5 Step Polishing Pad For Manufacturer** is used by portable grinder or other manual operated machines.

2. 5 Step Polishing Pad for stone which are attached to backer with velcro connections are used for polishing surface of marble, granite or other stone.

3. Using from rough grit to fine grit. Finally via buff polishing gets a good polishing result. (5 Step Polishing Pad )

4. The operator need only three steps can reach common ground sheet five-step, seven-step effect, easy to operate, improve efficiency, cost-effective!

## Feature:

1. **Stone Polishing Abrasive For Manufacturer** Use High Quality Emery:

Using high-grade diamond particles and resin bond production, sharp and wear-resistant, stone polishing and polishing fast, high height

2. Multiple Advantages:

Adopt the seam design, fast heat dissipation, low noise, effectively prevent edge falling, and increase service life

3. Stick Firmly:

Adopt high-quality nylon back fleece design, strong stickiness, strong sticking, can be peeled and pasted repeatedly, the product mesh number is printed on the back, easy to use and identify

4. Bend Appropriately:

The use process can be properly bent, special-shaped table tops, curved table tops can be used, no dead angles are polished, and high efficiency

## Product Specification:

The followings are the normal specifications of our 5 step polishing pad:

Diameter	Material	Grit No.	Use Type	Machine
4 inch,100mm	Resin + Diamond	1#,2#,3#,4#,5#	Wet Use	Angle Grinder Or Floor Polishing Machine

The above specifications are for reference, other specifications can be ordered by customers.

**[Diamond Wet Polishing Pads Wholesales](#)**

Used for polishing surface of marble, granite or other stone.

## FAQ

### **1.How could we know the quality, if we want to order your products?**

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

### **2.Can you offer free samples?**

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing.

It is very important to give us feedback, we appreciate it.

### 3.Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.

### Logistics:

Sample order ship by DHL, UPS, FedEx, TNT, EMS etc

For mass order delivery, can be optional with terms of Exwork, FOB, CNF, CIF by air or by sea based on the buyer's forwarder or ours
