

Product Description

Diamond Saw Blade For Marble Slab Block Cutting Suppliers, diamond segment is 8/10 mm high, which is specialized in the fine processing of marble slab, with good performance and stability;

Diamond saw blade for marble slab cutting, service life of cutting single type and specification board can reach more than 3000 square meters;

Such Diamond Saw Blades are highest Ratio of Performance to Price!

Feature:

1. Excellent comprehensive cutting performance.
2. Ideal edge trimming quality with better blade continuity.
3. High cutting efficiency, meanwhile, it has a long lifespan.
4. Silent and non-silent blades are available for client's choice.

Product Specification:

The Followings Are The Normal Specifications Of Our Diamond Saw Blade For Marble Slab Cutting:

Diameter	ize Of Segment	No.Of Teeth
16 Inch,400mm	40x3.6x8/10MM	29Pcs

FAQ

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing.

It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.

Logistics:

Sample order ship by DHL, UPS, FedEx, TNT, EMS etc

For mass order delivery, can be optional with terms of Exwork, FOB, CNF, CIF by air or by sea based on the buyer's forwarder or ours
