

Introduction:

4inch electroplated diamond polishing pads are designed for concrete, stone, tile, wood, swimming pool surfaces, metals, even glass, ceramics.They are flexible and made with top quality diamonds.They are more sharp than wet polishing pads.They are hoop and loop backed allowing fast changing.Currently we offer 3" to 7" in diameters with grit 60#, 120#, 240#, 400#. Use regular wet diamond polishing pads to finish polishing.

Feature:

1. High polishing efficiency.
2. Long lifespan and stable performance.
3. Adopt the high-quality nylon sticky cloth, adhesion is good and the reusable is not easy to be damaged.

Specification:
