

Introduction:

Cheap diamond metal 4 inch polishing pads with copper particles, from China Fujian Nan'an Bore Machinery Co., LTD supplier provided. Copper polishing pads are designed for polishing granite, marble, engineered stone. They are flexible and made with top quality diamonds. They are sharper than wet polishing pads. They are Hoop & loop self adhesive backed allowing fast changing. Wet Use only, available grit: #30, #50, #100, #200, #400.

Feature:

1. Low price and good quality
2. High sharpness, greatly improving the cutting efficiency
3. Does not change in the color of the stone itself, with glazing fast, good brightness and not fade
