

Product description:

Brief introduction:

5"125mm sponge polishing pads is the most advanced stone grinding material in China, with the advantages of high yield, long service life and relatively low cost (lower than that of water mill). The sponge polishing pad is made of high-density non-woven fabric with an open mesh structure, flexible and durable, beautiful uniform sand pattern, the workpiece surface will not overheat discoloration (is called burning plate) characteristics. This product can be used for marble, sandstone, jade, beige stone, travertine, basalt and other soft stone and artificial stone, concrete ground, wearable ground, terrazzo floor, can effectively heat, light, gloss up to 75- 105 degrees.

Features:

1. With an open network structure, flexible and durable, beautiful uniform sand pattern, the workpiece surface will not overheat discoloration (is called burning plate) characteristics;
- 2, good heat, polishing fast, glossy up to 75-105 degrees.
3. Suitable for angle grinder / floor refurbished machine processing operations;
4. Can be used for floor renovation work, cost savings;
5. This product is affordable, cost-effective.

Advantage:

Our products export to Brazil, India, Australia, USA, Ukraine, Italy, Poland, Russia , more than 20 different countries . In these overseas markets,our products enjoy a good reputation, we get good feedbacks after their corresponding test result, so, we are confident in our products quality.

All of our products have been strictly tested before access to market.

Other specifications can be customized according to requirements.

Details:

Specification of 5"125mm sponge polishing pads:

Diameter:5" 125mm

Connection: velcro

Material: Non-woven

Applicable materials: marble and other stone

Adaptation machine: Portable/electric/pneumatic grinding machine,angle grinder,floor grinding machine

Place of origin:China

The following shows only part of the product,other products can be customized according to your needs

If you do not find the product you want,please contact us for more products details.

Other specifications can be customized according to requirements.

Packing:

Products packing in the carton.

We can also pack the products according to your requirements.

Special specifications need to be negotiated for delivery times.
