FAQ

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing. It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including differentcolor, grit etc. We also can mark your ownlogo and brand on the pad. Any new productsyou want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.

Please Pay Attention:

1)If you are interested in any item, please let us know what style and patience you want. Thanks a lot!

2)If we are not on-line, you can give us a message, or email. We will see you again in the shortest time possible.

3)Since the computer screen has chromatic aberration, it is essentially a bitty CRT screen and an LCD screen.

4)We cannot guarantee that the color of our products will be exactly the same as the pictures you have seen.
