

Product Description:

Diamond Segments For Floor Grinding application for all kinds of concrete, terrazzo and stone floor preparation on floor or old floor renovation before polishing. We can also make diamond polishing pads for concrete polishing. These rectangle segment diamond grinding shoes are ideal for fine grinding and make preparation for the polishing.

Boreway [HTC Floor Grinding Pad For Sale](#), provides a full line of metal bond diamond grinding tools or HTC grinder.

Concrete grinding disc, with different shapes segments. Double buttons, arrow, bars for floor grinder. And various PCD for you to choose.

To choose the right diamond floor grinding shoe and diamond grinding cup wheels from suppliers, you must know the hardness of your concrete and grits.

Concrete can be soft, hard, abrasive, dusty and brittle etc. There are no two floors are ever the same, typically they are more abrasive when the floor are new or have a high sharp sand content. The more abrasive the floor the harder bond you will need to get the best performance out of the diamonds.

Bond The strength of the metal binder that holds the diamond grit in the segment. Typically the harder the bond the longer the life. Soft concrete need hard bond, medium hard bond for medium concrete and soft bond for hard concrete.

Product Specification:

[Diamond Segments For Floor Grinding](#) The following are normal specifications:

Welding method	Silver Welding
Name	Diamond Segments For Floor Grinding
Normal sizes	L40*W10*H10mm Other sizes can make according to client's request.
Grit	30# Coarse Grinding 60# 80# fine Grinding 120# fine polishing other grit can be required by client
Usage	welding on (1)Trapezoid Grinding Plates (2)Quick Change system (HTC & Slide) (3)PCD System (Trapezoid & Slide both ok) (4) Diamond Grinding Cup Wheel, diamond grinding disc.
Machine	Floor Grinding And Polishing Machine, Htc Grinder, Electroplated Floor Grinder.

Segment Bond	Hard bond grinding segment for soft floor surface, Medium soft bond grinding segment for meium soft floor surface, Medium hard bond grinding segment for medium hard floor surface, Hard bond grinding segment for soft floor surface.

ABOUT FEEDBACK

Please confirm the receipt of the products after you got them.

If you have any question about the products you received, please contact us in time and we will try our best to solve the problem and make you satisfied.

Our service:

1. Low order quantity: It can meet the test order you need.
2. Fast delivery: We get great discounts from freight forwarders.
3. OEM Acceptable: We can produce according to your samples or drawings.
4. Good quality: We have a strict quality control system. Has a good reputation in the market.
5. Good service: We regard our customers as God with a high degree of professionalism and enthusiasm.

- For sample or small orders, products could be sent by express, TNT, DHL, UPS, FedEx, EMS etc.
- For large orders, shipping by sea or air is recommended. By our long-term cooperate agent or your appointed forward.
- By sea, port of loading: Shanghai, Ningbo, Xiamen, Qingdao etc.

FAQ:

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing. It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.

Please note:

- 1) If you're interested in any items, Please tell us which Style and Grit you want .Thanks a lot!
- 2) You can give us a message, or e-mail if we're not on-line. We will replay to you in the shortest possible time.
- 3) Since computer screens have chromatic aberration,especially between CRT screen and

LCD screen.

4) We can not guarantee that the color of our products will be exactly the same with the photographs you saw.
