

Product Description:

Diamond Finger Bit Wet Use Manufacturer, this bit should be run at 6,000 to 7,000 rpm and 600 to 800 mm/min, this electroplated finger bit from is designed for cutting soft stones such as marble.

Its grooved water channel provides necessary lubrication while removing slurry from the cutting surface.

Product Specifications:

Specification of **Electroplate Finger Bit Wholesales:**

Grit NO.:	30/40#
Segment Length:	50MM
Diameter:	20MM
Connection:	1/2"G
Type:	Finger Bit
Material:	Electroplate
Process Type:	Segmented for Granite
Working Style:	Surface Grinding

Other Specifications [Diamond Finger Bits Price](#) Are Available Upon Customers' Requests.

Advantages:

- 1) Less Noise and Low Ampere.
- 2) High quality and work efficiency.
- 3) Faster Speed and Lasting longer.

4) Durable metal and diamond compounds

Application:

Electroplate Finger Bit Wholesales is made by brazing process, which is for dry use in CNC stone processing machinery or hand held edge grinding machine.

Material used

1. Glass
2. Granite
3. Marble
4. Porcelain
5. Hard Ceramic
6. engineered Stone

About Us:

Our Service:

1. A small number of orders: you can meet the test orders you need.
2. Fast delivery: We get great discounts from freight forwarders.
3. OEM Acceptable: We can produce according to your samples or drawings.
4. Excellent quality: We have a strict quality control system. Has a good reputation in the market.
5. Excellent service: We regard our customers as God with a high degree of professionalism and enthusiasm.

Logistics:

Sample order ship by DHL, UPS, FedEx, TNT, EMS etc

For mass order delivery, can be optional with terms of Exwork, FOB, CNF, CIF by air or by sea based on the buyer's forwarder or ours

- For sample or small orders, products could be sent by express, TNT, DHL, UPS, FedEx, EMS etc.
- For large orders, shipping by sea or air is recommended. By our long-term cooperate agent or your appointed forward.
- By sea, port of loading: Shanghai, Ningbo, Xiamen, Qingdao etc.

FAQ:

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing. It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including differentcolor, grit etc. We also can mark your ownlogo and brand on the pad. Any new productsyou want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.

Please Note:

1. Please provide the item before purchase.

2. Please provide the model number before purchase.
3. Other specifications can be customized according to requirements.
