

Product Description

These [Diamond PC Drill Bit Wholesales](#) are used in portable electric drills and bench drilling machines, and are divided into high-speed drill bits and low-speed drill bits.

Diamond pc drill bit is widely used for processing and drilling granite, marble, ceramics, etc. The products are sharp, durable, and small in breakage, and are well received by users.

Feature:

1. Samples for testing are available.
2. Fast ,smooth drilling and long life.
3. High quality with reasonable price.
4. Superior performance and durability.
5. Different specifications can be customized.

Product Specification:

The followings are the normal specifications of our diamond pc drill bit :

Diameter	Drill Length	Segment Height	Usage
5MM	125MM	10MM	Wet or Dry

More normal specification of diamond pc drill bit :

Model	Diameter	Segment Size	Use	Drill Length	Connector
--------------	-----------------	---------------------	------------	---------------------	------------------

BW-DDB-S01-01	6MM (1/4")	ø6xH11	Wet or Dry	4"(100mm)	5/8"-11 M14 1/2 Gas 10MM
BW-DDB-S01-02	8MM (5/16")	ø8xH11			
BW-DDB-S01-03	10MM (3/8")	ø8xH11			
BW-DDB-S01-04	12MM	ø10xH11			
BW-DDB-S01-05	13MM (1/2")	ø12xH11			
BW-DDB-S01-06	14MM	ø14xH11			
BW-DDB-S01-07	16MM (5/8")	ø16xH11			
BW-DDB-S01-08	18MM	ø18xH11			

The above specifications are for reference, other specifications can be ordered by customers.

FAQ

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing.

It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.

Logistics:

Sample order ship by DHL, UPS, FedEx, TNT, EMS etc

For mass order delivery, can be optional with terms of Exwork, FOB, CNF, CIF by air or by sea based on the buyer's forwarder or ours
