

Product Description

Mainly used for tilt angle drilling, commonly used to back bolt drilling.

These small diameter diamond bit drill for portable and desktop drilling, high-speed and low-speed drill drill points.

Widely used in granite, marble, ceramics and other materials processing drilling products sharp, durable, broken small, the majority of users.

Features:

1. Applicable to a variety of handheld drill machine or CNC machine tools.
2. The diamond protrusion uniform, sharp, high drilling efficiency.
3. Matrix after heat treatment, the strength of stronger, more durable than conventional segment.
4. Each center has a water hole drill is conducive to chip and cooling, and thus has a long service life.
5. Using high-quality diamonds and high-speed steel pressing and sintering, can withstand high speed drilling.

Specification:

The following are general specifications of diamond drilling light PC:

Product Number	Diameter (mm)	Segment Hight	Usage	Drill Pipe Length	Welding	Fittings
BW-DDB-S08	5/6/8/10	10mm	Wet Use	100mm-125mm	Silver Solder	10mm

Other specifications can be customized.

FAQ

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing.

It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.

Logistics:

Sample order ship by DHL, UPS, FedEx, TNT, EMS etc

For mass order delivery, can be optional with terms of Exwork, FOB, CNF, CIF by air or by sea based on the buyer's forwarder or ours
