

Diamond Satellite Abrasive Wheel Tool For Calibration Polishing Grinding Stone Manufacturer

Advantage:

boreway[®]

Diamond Satellite Abrasive Wheel Tool

- 1.High processing wheel for calibration and long life.
- 2.Satellite positing wheel for calibrating can be used for calibrating and levelling the surface of slabs.

Feature:

- 1) Different grit and sizes as requested.
- 2) Competitive price and superior quality.
- 3) Professional package and fast delivery.
- 4) Desinged for floor grinder, concrete grinder, polisher etc.
- 5) Offering suggestion from experts and professional service.
- 6) Diamond Satellite Abrasive Wheel Tool,Different kinds of excellent formula to meet the material to be cut.

Application:

Diamond Satellite Abrasive Wheel Tool use for Automatic Grinding Machine.

Diamond Satellite Abrasive Wheel Tool can be applied to rough grinding and polishing.

Good performance and easy to operate. Good formula make durability, sharpness and reasonable price.

Specification:

The normal size of **Diamond Satellite Abrasive Wheel Tool**:

Model	Connection	Type	Grit
BW-DSW-01	M45	Planetary Positioning Wheel	30/40#
			45/50#
			50/60#
			70/80#
			80/100#
BW-DSW-02	M45	Planetary Positioning Wheel	30/40#
			45/50#
			50/60#
			70/80#
			80/100#

Specially designed tools are available for any standard application.

We can customize tools as per your exact needs.

About Us:

Packing □ Delivery:

PS:

FAQ:

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing. It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.
