

Boreway Factory Price Artificial Calibrating Profiling Wheel Quartz Engineer Stone Grinding Tool Rollers

Product Details:

Factory Price Artificial Calibrating Profiling Wheel

boreway®

Applicable Machines:

Factory Price Artificial Calibrating Profiling Wheel

The innovative product and tools high quality to make customers process more efficient for different engineered stone.

Calibration roller heads: entering calibration, high removal calibration , calibration , pre-finishing, finishing etc wheel as well as the diamond fickert .

Factory Price Artificial Calibrating Profiling Wheel for different brand of quartz automatic line calibrating and polishing machine: Breton,Simec, Keda, Jinyou, Veego etc.

Specification:

Factory Price Artificial Calibrating Profiling Wheel for engineered stone, quartz or other allomerated stone.

the innovative product and tools high quality to make customers process more efficient for different engineered stone.

calibration roller heads: entering calibration, high removal calibration , calibration , pre-finishing, finishing etc wheel as well as the diamond fickert .

Wet use only with sufficient water, Fast & Easy grinding, long life, perfect performance.

The normal size of **Factory Price Artificial Calibrating Profiling Wheel**:

Specially designed tools are available for any standard application.
We can customize tools as per your exact needs.

Advantage:

Factory Price Artificial Calibrating Profiling Wheel

1. Excellent comprehensive cutting performance.
2. Fast aggressive stock removal and thickness calibration;
3. High processing efficiency and long life for quartz stone calibration;
4. Applicable for granites of various hardness classes, multi-purpose.

5. Grinds down the rough surfaces and leaves them smooth to the touch.

About Us:

Our Service:

- 1.Low MOQ: It can meet your trial order need well.
- 2.OEM Accepted: We can produce according to your sample or drawings.
- 3.Good Service: We treat our clients as God with high professionalism and passion.
- 4.Good Quality: We have strict quality control system. Good reputation in the market.
- 5.Fast Delivery: We have big discount from forwarder.

FAQ:

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing. It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.
