Production Description:

Introduction

Sealed curing floor polishing machine are be used for floor grinding ,coarse concrete floor burnishing,old epoxy floor
renovation,sealed curing floor polishing,marble ground maintenance.

Features:

1.Machine using Siemens motor , using the precise helical tooth synchronizing wheel,the machine is never noisy and the machine run much more smoothly;
2.With ultra low center of gravity,then machine is more stable and work strongly; **Floor Grinding and Polishing Machine Manufacturer**
3.The innovation of design makes the machine much more coordinate with the man,you will feel relax after a long working time;
4.You can install a variety of different specifications of the floor grinding block.

All of our our products have been strictly tested before access to market.

Other specifications can be customized according to requirements.

Detailed Images:

We have a variety of specifications machines

Floor grinding machine 490,Floor grinding machine 540,Floor grinding machine 580
Floor grinding machine 640,Floor grinding machine 700,Floor grinding blocks
