

Introduction:

Resin Bond Diamond Floor Polishing Pads are designed for polishing concrete, marble, granite. They are Hoop & loop self adhesive backed and can fit on most floor machines easily. If the ground conditions are bad, we suggest using floor grinding blocks first, and then using floor polishing pads. BUFF polishing pads also could be supplied, it could make materials more brightness.

Feature:

- 1.High Quality Polishing
- 2.High temperature resistance
- 3.Easily use and high polishing efficiency.
- 4.Adopt the high-quality nylon sticky cloth, adhesion is good and the reusable is not easy to be damaged.
