

Product Description:

Segment Shaped:Hexagon

Maximum Speed: 4500 RPM

Grit No.: 50#,100#,200#-3000#

China [Best Selling Polishing Pads For Grinding Machine](#) is been dry use.

Hexagon Diamond Dry Polishing Pad for stone which are attached to backer with nylon connections are used for polishing surface of marble,granite or other stone.

It is used by portable grinder or other manual operated machines.Using from rough grit to fine grit.Finally via buff polishing gets a good polishing result.

4 Inch (100MM) Hexagonal Dry Polishing Pad

Pad Thickness: 2.2mm

Note:

Use them from coarse to fine, the final polishing.

Dry polishing is convenient but the dust needs to be managed, while wet polishing eliminates harmful dust but makes a messy slurry that can be difficult to clean up. Either method gives the same finished result. So which is better depends on your situation. Featuring much more flexible than normal dry pad: ideal for concave & convex as well as flat surface.

- 4.Good Quality: We have strict quality control system. Good reputation in the market.
- 5.Fast Delivery: We have big discount from forwarder.

FAQ:

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing. It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including differentcolor, grit etc. We also can mark your ownlogo and brand on the pad. Any new productsyou want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.
