

High Efficiency Diamond V30 CNC Grinding Wheel Stone Abrasive Tools For The Edge Processing Of Vanity Top And Counter-Top

Description:

[High Efficiency V30 Diamond Cnc Grinding Wheel](#) For The Edge Processing Of Vanity Top And Counter-Top ,This special shape diamond grinding wheels are widely used on profiling machines for granite marble quartz stone and other stone.

1. Approved quality with factory competitive price.
2. Long lifespan, good sharpness, stable performance and high grinding efficiency.
3. Custom-design can be meet upon request. Small trila order is avaiable any time.

We offer a wide range & shapes with different sizes to satisfy your exact profiling needs.

V 30 Diamond CNC Wheel

Use: For Marble Granite, Quartz,
Artificial Stone And Other Stone.

Be used for portable grinding machine,
for processing counter's table-board profiling.

Specification can be cuspomized ordered.

V Shape

Specification:

The normal size of **High Efficiency V30 Diamond Cnc Grinding Wheel:**

Diameter (mm)	Thickness (mm)	Inner Hole (mm)
55	20/25/30/40/50	35
80	20/25/30/40/50	35
100	20/25/30/40/50	35
140	20/25/30/40/50	35

Other connection and specification can be customized according to need

[If you need it, please continue contact with us, you can click here](#)

Features:

1. With feature of high efficiency, accuracy in shape and size.
2. Using sequence: from rough grit to fine, finally polishing.
3. Various specification are available upon client's request.
4. This product provides high accuracy and smooth surface in stone processing.
5. The unique design with good sharpness allows easy dust removal, low noise and safety.

Advantage:

1. Precise profiling, high efficiency.

2. The excellent leader in irregular shape stone processing tools.
3. It is widely used in the edge processing of vanity top and counter-top etc.

Application:

High Efficiency V30 Diamond Cnc Grinding Wheel are widely used on profiling machines for granite marble quartz stone and other stone. We offer a wide range & shapes with different sizes to satisfy your exact profiling needs.

The following is the normal specification of Diamond Grinding Wheel:

**Continuous router bits give you better performance to get more bright surface.
Diamond Router Bits for stone, glass, composite, tile, concrete.**

Above is a picture of our conventional special shape diamond grinding wheels, Other specifications can be customized according to requirements.

About Us:

Packing & Delivery:

PS:

- 1.Tools packing in carton cases
- 2.By Air/Sea for batch goods, Airport/Port receiving
- 3.Less than 45kg, generally delivery by express(Door to Door)
- 4.When tools are in large quantities, they are packing in wooden cases

- For sample or small orders, products could be sent by express, TNT, DHL, UPS, FedEx, EMS etc.

- By sea, port of loading: Shanghai, Ningbo, Xiamen, Qingdao etc.

Our Service:

- 1.Low MOQ: It can meet your trial order need well.
- 2.OEM Accepted: We can produce according to your sample or drawings.
- 3.Good Service: We treat our clients as God with high professionalism and passion.
- 4.Good Quality: We have strict quality control system. Good reputation in the market.
- 5.Fast Delivery: We have big discount from forwarder.

FAQ:

- 1.How could we know the quality, if we want to order your products?
Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.
- 2.Can you offer free samples?
We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing. It is very important to give us feedback, we appreciate it.
- 3.Does your company accept custom-made?
Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.
