

Introduction:

High Quality Wet Use 3 Inch Copper Bond Diamond Floor Polishing Pad for smoothing and polishing concrete. The aggressive copper bond is notably more resistant to the abrasion of cement. They are still very flexible for bullnose, radius, and bowl use. Application for wet polishing granite, marble, glass and other special-sharp stone of corner.

Advantage:

1. Wet use only
2. Velcro backed
3. Maximum speed: 4500 RPM
4. Best use granite marble and concrete
