

Litchi Surface Long Life and Efficient Bush Hammer Rollers Head Tools For Grinding Stone Manufacturer

Descriptions:

boneway®

Litchi Surface Bush Hammer Head

Litchi Surface Bush Hammer Head is used to sophisticated welding technology and selecting high quality aluminum alloy to casting the high quality product. For stone surface fabrication, making bush hammered effect.

Litchi Surface Bush Hammer Head can be used with radial arm machines, powerful hand grinder, or floor grinders.

Specifications:

The normal size of **Litchi Surface Bush Hammer Head**:

Grains No.	Material	With/Without	Application
45S	Alloy And Steel	With Support	For Granite and MarbleConcrete

Specially designed tools are available for any standard application. We can customize tools as per your exact needs.

Specification of grinding disc:

Product Name	Out Diameter		Roller Quantity	Segment Quantity	Connection
	Inch	mm			
Bush Hammer Plate	5	125	3	30	M14 M16 5/8''-11 42mm 47mm 50mm
	6	150	4	45	
			3	30	
	8	200	6	45	
			4	30	
	10	250	8	45	
			5	30	
	12	300	10	45	
			6	30	

Features:

Litchi Surface Bush Hammer Head

- 1) Grain:45S
- 2) Bush hammer roller is suitable for surface fabricating, making bush hammered effects for stone products.
- 3) It's scrollable and rotary and highly efficient, for example, a roller of 200mm's diameter can fabricate more than 100M² stone products per day.
- 4) We can sell the roller separately, and we have plenty of styles and specifications start from

Product Details:

Litchi Surface Bush Hammer Head are used in manual grinding machines or hammered automobile / semi-automobile bush machines to process the hammered surface of the litchi bush into concrete granite, marble and other stone surface.

45 Pins Segment

Support

Easy to use, high efficiency, 5-8 times that of manual

Advantage:

1. Grinding to the lychee surface
2. Thick fine can be adjusted
3. Improve production efficiency, it is 5 to 8 times for the workforce.
4. Specifications are various, we can produce according to your samples.

Application:

Litchi Surface Bush Hammer Head used in manual grinding machines or hammered automobile / semi-automobile bush machines to process the hammered surface of the litchi

bush into concrete granite, marble and other stone surface. The processing surface can be very uniform and looks real and natural. The rollers can be changed conveniently, greatly reduced production costs.

Coarse flowers and fine flowers can be adjusted at will.

Marble**Granite****Concrete****Quartz stone****Sandstone****Volcanic rocks****Applications Machine:**

Litchi Surface Bush Hammer Head can be adjusted with our bush hammer through adjustment of spring elasticity on the bush hammer, or through the pressure of the manual grinding machine. can be changed through the adjustment of spring elasticity on bush hammer, manual grinding machine press

About Us:

Packing □ Delivery:

PS:

- 1.Tools packing in carton cases
- 2.By Air/Sea for batch goods, Airport/Port receiving
- 3.Less than 45kg, generally delivery by express(Door to Door□)
- 4.When tools are in large quantities, they are packing in wooden cases

Our Service:

- 1.Low MOQ: It can meet your trial order need well.
- 2.OEM Accepted: We can produce according to your sample or drawings.
- 3.Good Service: We treat our clients as God with high professionalism and passion.
- 4.Good Quality: We have strict quality control system. Good reputation in the market.
- 5.Fast Delivery: We have big discount from forwarder.

FAQ:

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing. It is very important to give us feedback, we appreciate it.

3. Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.

Kindly Notice:

1. Please provide the material before purchase.
2. Before purchase, please provide the model of the machine.
3. Other specifications can be customized according to requirements.
