

Product Description

Diamond Continuous Router Bit For Stone Suppliers, are used for portable machine processing the granite,marble,other stones and the counter.Their merits are high efficiency of production,exact figure.

Peripheral milling cutters, slot milling cutters and profile milling cutters sintered, segmented or with an electroplated coating.

Segment heights and shapes as per customers' requirements, customized specifications are available.

Synthetic bonded profile milling cutters with fine grains up to the polishing stage.

Feature:

- 1.Good balance and stable performance.
- 2.Different shapes and sizes are available.
- 3.More aggressive for easy and quick stock removal.
- 4.The router bit what we supply is for single using,it is not need to consider using with other grits.
5. The following are different shapes design , including : A, B, D, E, F, G, H, I, L, M, N, O, P, Q, S, T, U, V, WF, DD, DC,etc.

Product Specification:

The Followings Are The Normal Specifications Of **Diamond Portable Router Bit Manufacturer**:

Diameter	Stone Shape	Thickness	Connection
50—125mm	A, B, BB, D, E, F, G, H, I, L, M, N, O, P, Q, S, T, U, V, WF, DD, DC,etc.	20mm 30mm 40mm 50mm	M8 M10 M14 1/2 "Gas 5/8"-11 22mm 35mm

The above specifications are for reference, other specifications can be ordered by customers.

Granite

Quartz

Marble

And Other Stone

FAQ

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing.

It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.

Logistics:

Sample order ship by DHL, UPS, FedEx, TNT, EMS etc

For mass order delivery, can be optional with terms of Exwork, FOB, CNF, CIF by air or by sea based on the buyer's forwarder or ours
