

Product Description:

Segment Size: 2x1/2 Pcd

Pcd Details □ 2 Half Round Pcds

Machine: Scanmaskin Floor Grinder

Connection: Scanmaskin Redi Lock

Bond: Extra Soft, Super Soft, Soft, Medium, Hard, Super Hard, Extra Hard

Grit No.: 6#, 16#, 20/25#, 30/40#, 50/60#, 70/80#, 80/100#, 120/150#, 200/220#, 325/400#

At some purpose, you will need to get rid of epoxy flooring from your room, basement, or garage, to vary the color or replace it because of wear. PCD tool is the right choice.

Triangular Scanmaskin Redi Lock PCD Grinding Disc For Manufacturer, are designed for aggressive coating removals of epoxy, glue, resin, etc. The main material PCD (Polycrystalline Diamond) comes in a PCD top and tungsten carbide substrate.

The high abrasive resistance makes it extremely useful for floor coating removals.

Note: The PCD coating removal tool is directional specific and you should check the rotation direction of the grinder heads.

PCDs without the Sacrificial Bars provide a deeper surface grinding action.

PCDs with a metal button or sacrificial bars are less aggressive and are designed for thin coating removal.

Golden Diamond Tool PCD Grinding Discs PCD scraper For Coating Removal Coating Scanmaskin Grinder

Triangular Scanmaskin Redi Lock PCD Grinding Disc For Manufacturer

High-quality diamond combain with excellent bond,which specialized design for very aggressive, high-performance, long life diamond grinding tools

Specification:

The followings **Triangular Scanmaskin Redi Lock PCD Grinding Disc** are the normal specifications:

Segment Size	PCD Details	Machine
2x1/2 PCD	2 Half Round PCD	Scanmaskin Floor Grinder

3. OEM Acceptable: We can produce according to your samples or drawings.
4. Good quality: We have a strict quality control system. Has a good reputation in the market.
5. Good service: We regard our customers as God with a high degree of professionalism and enthusiasm.

FAQ:

1.How could we know the quality, if we want to order your products?

Please just test them with a very small order, then you will know the quality. At present,so many people in the world to use Chinese products, because of the high quality and most competitive prices. We are professional manufacturer in supplying diamond tools for more than 8 years. Anyway, confirming our products quality, a small trial order for testing will be necessary.

2.Can you offer free samples?

We don't offer free samples, according to our many years experience, we think

people get the samples by paying, they will cherish and appreciate more what they get. But we are willing to give our potential customers a special discount which they are used to do a testing. It is very important to give us feedback, we appreciate it.

3.Does your company accept custom-made?

Surely, we accept it. Including different color, grit etc. We also can mark your own logo and brand on the pad. Any new products you want us to produce for you, just send us your drawing or sample, we will produce the same one. We will not sell this kind of products to other customers only if we get your permission.
