

Product Description

This Type of u shaped bush hammer roller for marble is used sophisticated welding technology and selecting high quality aluminum alloy to casting.

The u shaped bush hammer roller, is used to create a sandblasting effect on the stone.

This u shaped rotary bush hammer roller is usually used for 125mm bush hammer plate and hand grinder.

Compared with the traditional bush hammer roller, our new [Vacuum Brazed Bush Hammer Roller For Manufacturer](#) has a more beautiful appearance.

We also provide a separate bracketless grinding wheel, which can be replaced at any time, saving freight and time costs.

Each blank steel roller can be reused several times. It is environment-friendly and also saves the product cost.

Feature:

1. Bush hammer roller with u support, can be installed on 125mm bush hammer plate.
2. You can choose different different rotary bush hammer roller, to get different finishes effect.
3. The high quality of the diamonds and other components(like bearing, grease, etc.) ensures its high performance.

Product Specification:

The Following Are Normal Specifications **U Shaped Bush Hammer Roller For Marble:**

Diameter Outer	Roller Width	Layer Number	RollerType	Application
34mm	22mm	Two Layer\ Single Layer	Vacuum Brazed	125MM Rotary Bush Hammer Plate

The above specifications is only for reference, other specifications may be available as per customer's demand.

More Normal Specification Of Rotary Bush Hammer Roller:

Application:

U shaped rotary bush hammer roller for marble sandstone and soft stone.

Bush hammer bit for hand grinder.a separate bush hammer roller can be provided, 30 teeth,vacuum brazed bush hammer roller.

Marble

Granite

Quartz

Sandstone

Limestone

Concrete Floor

Asphalt Pavement

FAQ

1.Will the teeth of the bush hammer roller fall off

of course not,We use high-strength flux to weld the carbide tip to the grinding wheel. The grinding wheel is sturdy and durable, with a long life, and the tip is not easy to fall off.

2.When you can reply to me when I send you an Inquiry?

We promise to reply within 6 hours(including holidays) on receipt of your inquiry.

3.Is there cheap shipping cost to import to our country?

For small order, Express will be the best, And for bulk order, sea ship way is best but take longer time. For urgent orders, we suggest via air to airport or by Express send to your door.
