Features

1. smooth cutting and flat surface even size.
2. stable cutting, narrow cutting gap, and stone waste reduction.

Specifications

This following are the block cutting segment for granite and hard stone:

The image features the Boreway logo in a blue banner at the top. Below it, a collection of approximately 15 block cutting segments is shown. These segments are light-colored, rectangular blocks with a textured surface and a central longitudinal groove. They are arranged in a cluster on a white background. A watermark 'www.boreway.com' is repeated diagonally across the image. At the bottom, a blue banner contains the text 'Boreway Machinery Co., Ltd.' and 'www.boreway.com'.
