

Descrição do produto:

Smooth cutting diamond gang saw segment is mainly used to cut marble, limestone and other relatively soft stones, and can also process medium-hard granite stones.

Uniform size is very important. Diamond segment for gang saw. In actual cutting, let the row saw cut to reduce vibration, reduce the wear degree of cutter head and improve the running speed.

Característica:

1. The blade has good sharpness and high efficiency at the process of cutting, meanwhile, it has a long lifespan
2. You can get the effect of fast cutting and reduce the error rate of cutting.
3. **Gang saw diamond segment** é soldado no substrato da serra de gangues com tamanho uniforme, o que é útil para melhorar a velocidade de corte.

Especificação do produto:

The Following Are Normal Specifications **Smooth Cutting Diamond Gang Saw Segment**:

Tamanho do segmento (LxWxHum)	Método de produção	Inscrição	Máquina
20x2.8/2.4x8.5	Sintered	Stone Block	Máquina de serra de quadro

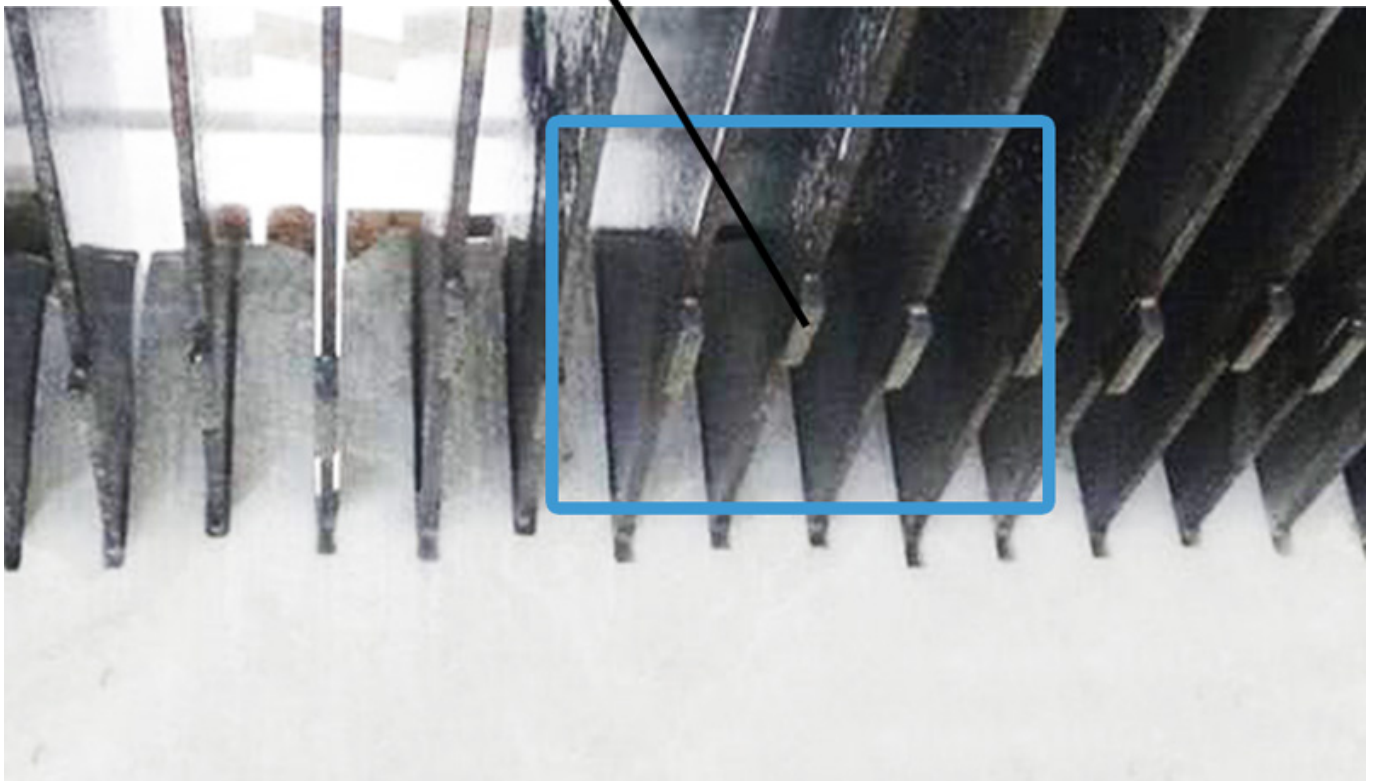

As especificações acima são apenas para referência, outras especificações podem estar disponíveis conforme a demanda do cliente.

Smooth Cutting Diamond Gang Saw Segment For Stone

Used For Cutting Stone Blocks

Gang Saw Segment

Inscrição:

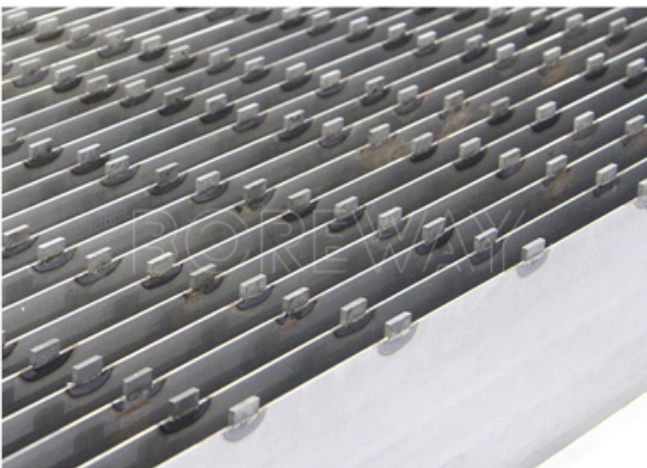

Smooth cutting diamond gang saw segment, diamond gang segment for marble, wet for frame gang saw machine.

Good price gang saw segment is mainly used for marble, artificial marble, limestone, sandstone and so on. Cutting diamond segment has excellent cutting performance.

At the beginning of using the row saw, it is necessary to enter downward at a low speed to

make the row saw and stone adapt to each other. Once part of the blade bites into the material, gradually increase the downward feed speed until it reaches the normal working speed.

Using the row saw requires careful planning. Gang saw segment for marble block processing. For the service life of your saw blade, try to avoid frequent installation and disassembly of the row saw

Perguntas frequentes

1. Como podemos ser seu agente em nosso país?

Informe -nos sua empresa detalhada, discutiremos e proporemos uma sugestão útil para você e para encontrar a melhor solução para você.

2. Você oferece amostras grátis?

Normalmente, não oferecemos amostras gratuitas, mas garantimos a qualidade do nosso produto.

3. What are our advantages?

Our teams is professional and the members have good study of the diamond tools. We offer quick response. Each messege or email will be replied within 24 hours.In the past few decades, Boreway diamond tools has made many orders of the OEM/ODM successfully . Some of the OEM/ODM services are free of charge!
